

Instructor Getting Started Guide

Welcome to the OpenStax Community!

We're excited to support you and your students. Let's get started:

1

FIND YOUR BOOK

Visit openstax.org/subjects and select the book(s) that work for you! Click "Get the book" to choose your preferred format — web, PDF, or print.

2

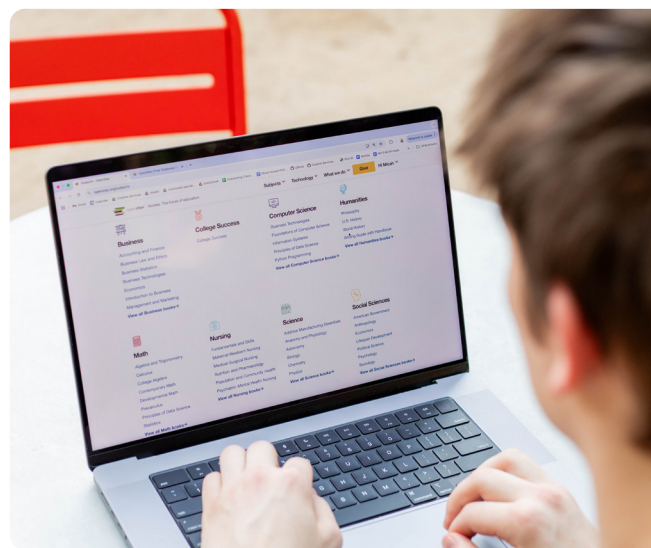

LET US KNOW

Go to openstax.org/adoption to fill out a quick form letting us know you're using OpenStax. This helps us reinvest in our library to keep knowledge open and accessible to all!

3

EXPLORE INSTRUCTOR-ONLY RESOURCES

Create your [free, verified educator account](https://openstax.org/free-verified-educator-account) to access the aligned instructor resources available for your book, like lecture slides and test banks.

LOOKING TO LEVEL UP?

Assign readings, interactives, and assessments directly in your LMS with [OpenStax Assignable](https://openstax.org/assignable)!

Assignable
by OpenStax

Prefer print?

Individuals and bookstores can order copies directly through our official print partner, [Kendall Hunt](https://kendallhunt.com).

Need EdTech?

Search our [Technology Partners](https://openstax.org/technology-partners) to find low-cost, high-value educational technology aligned with OpenStax content.

Need help?

Our customer experience specialists are standing by! Email support@openstax.org or explore our help center.
